Dear Working Parent,

As parents we know how difficult it is to find a quality after-school program. Most programs are little more than glorified babysitting services with no structured plan to improve your child's health, self-esteem, behavior, confidence, focus, manners, leadership skills or self-discipline.

Worry no more—your child can enjoy a fun, safe, structured, top-quality Martial Arts program & supervised study group at The Baltimore Martial Arts Academy!

At our After-School Program your child will get into great shape physically, learn valuable self-defense skills & get help with their homework. But that's just the beginning. Your child will also develop:

- **Better manners**
- **Self-discipline**
- **Goal-setting skills**
- **Time-management skills**
- **Leadership skills**
- **Study skills**
- **Improved behavior**
- **Concentration and focus**
- **More respect**
- **Reduced Stress and Anxiety**

THE BERGER TEAM:

All classes are taught and supervised by owners Sensei Gary Berger, his wife Danyelle, along with their experienced professional staff. Mr. Berger founded the Baltimore Martial Arts Academy in 1995 and is a Towson University honors graduate. Mr. Berger holds a black belt in Kung-Fu and a brown belt in Judo. Danyelle has been with the school since 2004 and earned her black belt in November 2007. She holds an MBA in Finance from Johns Hopkins University and an undergraduate degree from the prestigious Eastman School of Music in Rochester, NY.

The diverse backgrounds of Gary and Danyelle make their classes unique and special, each contributing different knowledge and expertise in their own way. Danyelle and Gary live in the Columbia area with their two young sons, Bryce and Tristan.
